

Hoodland Fire District in Oregon is trying to find their next Deputy Chief!

Salary: \$116,000.00 to \$124,775.00 DOQ

Apply by February 28, 2020

Applications can be obtained online by visiting www.hoodlandfire.us

The Region:

Located in Oregon in East Clackamas County along the beautiful historic Mount Hood Corridor. The Villages of Mount Hood are home to 6,000 residents who take pride in their small town atmosphere while enjoying the recreational local opportunities. With the protected lands of the Mount Hood National Forest surrounding three sides of the district and Mount Hood, Oregon's tallest mountain to the east, outdoor beauty and adventure offers boundless recreational options. Skiing, snowshoeing, snowboarding, cross country skiing, hiking, biking, rafting, canoeing, kayaking, fishing, hunting are all popular regional activities. Welches is also home of the first Oregon golf resort and boasts a beautiful 27 hole golf course that is known for exceptional views and fantastic greens at the Mount Hood Oregon Resort. The nearby Historic Timberline Lodge is one of Oregon's most popular tourist attractions, drawing nearly two million visitors every year. Declared a National Historic Landmark, Timberline Lodge is a popular spot for locals as well as tourists year around and is well known for being the setting for the 1980 movie "The Shining" which was based on the Stephen King novel of the same name. Wildwood Recreation Site is a popular location that encompasses 550 acres of beautiful land forested with old growth Douglas Fir, Western Hemlock, and Western Red Cedar along the Salmon River. This day-use area is home to a wide range of recreation facilities where visitors of all ages and abilities have a chance to explore natural stream and wetland ecosystems along accessible interpretive trails and boardwalks and observe native fish in a unique, underwater fish viewing chamber.

The area is home of the original Hood to Coast Relay Race that starts at the Historic Timberline Lodge and finishes in Seaside, Oregon. The annual Hood to Coast Relay is an overnight, long-distance relay race that is the largest running and walking relay in the world. For families, Oregon Trail School District provides students with a well-rounded education, from the pre-kindergarten programs to Career & Technical Education programs at Sandy High School. Oregon Trail School District is well-regarded and ranks in the 95th percentile nationally. Tucked among the lush evergreen forests and majestic mountains yet just 35 miles east of Portland, it is easy jaunt to Oregon's largest city. There is a strong sense of community involvement along with pride in the community. Wonderfully secluded yet easily reachable, the Villages of Mount Hood have everything necessary for an unforgettable mountain retreat.

The Department:

Governed by a five-member elected Board of Directors, the Hoodland Fire District (HFD) is a fire and emergency services agency organized as a rural fire protection district under Oregon state law. HFD is an all hazards fire department and responds to structural and wildland fires, rescues, motor vehicle crashes, emergency medical calls, hazardous materials, and miscellaneous aid calls. The District encompasses an area of 45 square miles between Sandy and Mount Hood and serves 6,000 year round residents and 20,000 seasonally. The area served by HFD contains a mix of residential, commercial, and a significant amount of rural/recreational areas. Operating with 14 FTE's on an annual budget of roughly \$4.5 million, the District provides these services from three stations, one of which is staffed 24 hours per day with full-time personnel and two of which are staffed by volunteer firefighters.

Working under the general direction and reporting to the Fire Chief, the Deputy Chief will organize, control, and direct activities of the Fire District including fire suppression/emergency services, emergency medical services, training, and code enforcement. Will perform highly responsible and professional administrative, supervisory, and technical work associated with planning, budgeting, coordinating, and directing all department personnel, training, apparatus and equipment. Responsible for the proper and efficient management of personnel, stations, apparatus, equipment, and other Fire Department resources to minimize fire loss and life in the community through aggressive fire prevention, training, education, emergency medical services and emergency operations and response.

Please visit www.hoodlandfire.us to review the detailed job description, announcement, and to obtain an application.

Also, please help the Hoodland Fire District and forward this job announcement to those you know who might be ready for this career move.

Thank you for your time!
