

**STATE OF OREGON
DEPARTMENT OF FORESTRY**

FIRE RESTRICTIONS
REGULATED CLOSURE PROCLAMATION

Number 01

Effective 12:01 a.m., PDT, June 25, 2021

By virtue of the authority vested in me under the provisions of ORS 477.535 to 477.550, I hereby proclaim a Regulated Closure to be in effect in the following subject area:

All lands protected by the North Cascade Forest Protection District, and all lands within one-eighth mile thereof.

Under this Regulated Closure it is unlawful to be in violation of the following restrictions:

- Smoking is prohibited while traveling, except in vehicles on improved roads, in boats on the water, and other designated locations.
- Open fires, including campfires, charcoal fires, cooking fires and warming fires are permitted all day during low (**GREEN**) fire danger, moderate (**BLUE**) & high (**YELLOW**) fire danger at [locations designated by the forester](#). All open fires are prohibited in extreme fire danger (**RED**). Portable cooking stoves using liquefied or bottled fuels are allowed.
- The use of power saws are permitted all day during low fire danger (**GREEN**) and moderate fire danger (**BLUE**). During high fire danger, (**YELLOW**) saws are allowed before 1:00 p.m. and after 8 p.m. The use of power saws are prohibited during extreme fire danger (**RED**). Each power saw is required to have one shovel and one fire extinguisher of at least 8 ounce capacity. A Firewatch of at least one hour is required following the use of each saw.
- Cutting, grinding and welding of metal is permitted all day during low fire danger (**GREEN**) and during moderate fire danger (**BLUE**). During high fire danger (**YELLOW**) it is allowed before 1:00 p.m. and after 8 p.m. as long as it is conducted in a cleared area and has a charged garden hose or one 2 ½ pound or larger fire extinguisher immediately available. Cutting, grinding and welding of metal is prohibited during extreme fire danger (**RED**).
- The mowing of dried, cured grass is permitted all day during low fire danger (**GREEN**) and moderate fire danger (**BLUE**). During high fire danger (**YELLOW**) it is allowed before 1:00 p.m. and after 8 p.m. The mowing of dried, cured grass is prohibited during extreme fire danger (**RED**). The culture and harvest of agricultural crops is exempt from this requirement.
- Motor vehicles, including motorcycles and all-terrain vehicles, on un-improved roads are permitted all day during low fire danger (**GREEN**) and moderate fire danger (**BLUE**). During high fire danger (**YELLOW**) it is allowed before 1:00 p.m. and after 8 p.m. Motor vehicles, including motorcycles and all-terrain vehicles, on un-improved roads are

prohibited during extreme fire danger (**RED**) except for the culture and harvest of agricultural crops.

- Possession of the following firefighting equipment is required while traveling, except on state highways, county roads and driveways: one shovel and one gallon of water or one 2½ pound or larger fire extinguisher. All-terrain vehicles and motorcycles must be equipped with one 2½ pound or larger fire extinguisher.
- Use of fireworks is prohibited.
- Any other spark-emitting internal combustion engine not specifically mentioned is permitted all day during low fire danger (**GREEN**) and moderate fire danger (**BLUE**). During high fire danger (**YELLOW**) it is allowed before 1:00 p.m. and after 8 p.m. when conducted in a cleared area and a charged garden hose or one 2 ½ pound or larger fire extinguisher is immediately available. Any other spark-emitting internal combustion engine not specifically mentioned is prohibited during extreme fire danger (**RED**).

Aside from these restrictions, also prohibited throughout fire season is backyard debris burning, the use of exploding targets and tracer ammunition. Additionally, the use of sky lanterns are prohibited in the State of Oregon at all times (ORS 476.735).

The State Forester or an authorized representative may, in writing, approve a modification or waiver of these requirements.

These restrictions shall remain in effect until replaced, suspended, or terminated by an additional proclamation of the State Forester or an authorized representative.

Maps of the subject area may be viewed at the State Forester's Office, in Salem, Oregon, and at principal offices of the Forest Protection District. It is the responsibility of the individual to know what the daily fire danger level is and how it effects regulated activities.
