SUBJECT: **Hoodland Fire District is temporarily closing public access to all fire stations**

Effective Wednesday, March 18, 2020 Hoodland Fire District is temporarily closing fire stations to the public. The action will be in effect until at least April 6, 2020.

The Hoodland Fire District will still respond to emergency calls dispatched by 9-1-1. Public complaints will be assessed of the need for response due to an emergency and the caller will be directed to call 9-1-1.

This action has been taken by the BC Scott Kline and Hoodland Fire District Board of Directors to help slow the spread of COVID-19 and best protect the health of the public and district employees.

During this time, Hoodland Fire district business office will remain open for business to the greatest extent possible. The goal during this time is to provide services virtually to the public as much as possible and will have staff available by phone during normal business hours.

All personnel, if you are feeling ill or have any signs or symptoms, please self-isolate yourself and contact your primary care provider via a telephone call before driving to their office.

Respectfully Yours,

Scott C. Kline
Battalion Chief

Board Chairperson
